SESSION EVALUATION

Q. Please provide general comments about the session and how it might be improved.

Email	Responses
Anonymous	Excellent presentations
Anonymous	Very good
Anonymous	I have changed my practice several years ago and now seldom need to perform 3 column Osteotomies except where there is a previous A & P fusion or similar
Anonymous	Need more relax in the presentation
Anonymous	Coming from an AIS perspective was looking for a little more bread and butter guidance on what to worry about in the sagittal plane, especially with respect to LIV and prevention of PJK
Anonymous	I enjoyed the session
Anonymous	Interesting case discussion and question session
