## SESSION EVALUATION

**Q.** Please provide general comments about the session and how it might be improved.

Email	Responses
Anonymous	Outstanding
Anonymous	A little slower in talking speed
Anonymous	Very good
Anonymous	Good session
Anonymous	I like very much I learn something to apply in my hospital The Team and working with other people
Anonymous	Talks were very short (good and bad)
Anonymous	Good
Anonymous	I got a general take away from this session that having a high functioning team and utilizing the strengths of that team leads to better outcomes. Also tracking and benchmarking will help a surgeon recognize if he or she is performing optimally.
Anonymous	Good session
Anonymous	Very good session
Anonymous	Too much too fast
Anonymous	Re enforce the importance of teams and the importance of both mentoring and of having a mentor
Anonymous	None
Anonymous	.
Anonymous	Systematic biomechanical studies would be more than relevant here to support surgeons' intuition..
