No	0	0.00%
Total	24	100.00%

SESSION EVALUATION

Q. Please provide general comments about the session and how it might be improved.

Email	Responses
Anonymous	Continued expansion of current risks and outcomes of adult spinal deformity remains an important body of knowledge for non-operative professionals
Anonymous	Good variety
Anonymous	This session explored more functional and patient centered solutions rather than hardware fixes, important for younger patients
Anonymous	Great thanks
Anonymous	Great overall
