Yes	27	100.00%
No	0	0.00%
Total	27	100.00%

SESSION EVALUATION

Q. Please provide general comments about the session and how it might be improved.

Email	Responses
Anonymous	Burning topic
Anonymous	Excellent session
Anonymous	Moderator should not have their personal feelings taking over the session. As fun as can be a frontal debate (attack), arguments need to rely on scientific results, not personal feelings or emotion, and stay constructive.
Anonymous	I think the discussion is normal and the answer not for the height level of congress
Anonymous	Useful tips
Anonymous	Well done
