Dear Dr. Richards,

Thank you for your request in regards to "Scoliosis Awareness Month" in Montana.

Although I do not proclaim days, weeks, or months, I appreciate your efforts to use this observance to raise awareness and to educate the public.

I commend the work of the Scoliosis Research Society and offer this Letter of Support to your efforts to increase research and early screening/detection of scoliosis.

Sincerely,

A handwritten signature in blue ink, appearing to be the name "B" followed by a long horizontal stroke.
