

The Commonwealth of Massachusetts

A Proclamation

Whereas Scoliosis is a condition that strikes without regard to gender, race, age, or economic status; and

Whereas scoliosis, an abnormal curvature of the spine, with no known cause (idiopathic), is a condition affecting 1.5%-3% of the population, or an estimated 7 million people in the United States; and

Whereas there are an estimated one million scoliosis patients yearly, with approximately one of every six children diagnosed with this condition eventually requiring active medical treatment; and

Whereas the primary age of onset for scoliosis is between ten and fifteen with females being five times more likely to progress to a curve magnitude that requires treatment; and

Whereas screening programs allow for early detection and for treatment opportunities which may alleviate the worst effects of the condition; and

Whereas increased public awareness of scoliosis will help children, parents, adults, and health care providers understand, recognize, and treat the complexities of spinal deformities such as scoliosis,

Now, Therefore, I, Charles D. Baker, Governor of the Commonwealth of Massachusetts, in accordance with Chapter 148 of the Acts of 1935 of the General laws, do hereby proclaim June 2015, to be,

SCOLIOSIS AWARENESS MONTH

And urge all the citizens of the Commonwealth to take cognizance of this event and participate fittingly in its observance.

Given at the Executive Chamber in Boston, this Nineteenth day of May, in the year two thousand and fifteen, and of the Independence of the United States of America, the two hundred and thirty-eighth.

BY HIS EXCELLENCY
